

Crane Wire Rope Inspection Report

Document No.:	LIB-MEC-0031
Revision:	B
Discipline:	Mechanical
Document Type:	Report
Date:	2026-06-30
Project:	FPSO Liberty Development

Description

This report documents the results of the periodic wire rope inspection carried out on the pedestal crane hoist and luffing ropes, in accordance with the manufacturer's maintenance manual and the applicable lifting equipment regulations.

No rejectable defects were identified during this inspection cycle. The next inspection is due in accordance with the planned maintenance schedule.
